Using PDF

PDF means **Portable Document Format**. It was designed by Adobe Systems Incorporated to provide a design format that could be read by Macintosh, Windows and UNIX operating system platforms. The documents are processed and appear as designed on all systems. The format is particularly useful when the document must appear the same to everyone, legal documents, operating manuals and even maps.

The basic commands from left to right in the menu bar are:

1. Page only
2. Bookmarks and page
3. Thumbnails and Page
4. Hand
5. Zoom in/Zoom out
6. Select
7. First page
8. Previous page
9. Next page
10. Last page
11. Go back

HOME

12. Go forward
13. Actual size
14. Fit page to window
15. Fit width to window
16. Find
17. Search indexes in the browser this may also be the find again button
18. Search index results
19. Search index results up page
20. Search index results down page

The documents viewed in PDF via Adobe Acrobat are readable using your Web Browser. You usually have to place a plug-in (PDFViewer) in your browser's Plug-ins Folder. You also require Adobe Acrobat Reader which is a free software application available with almost every Adobe software package shipped or by accessing Adobe's web site (<http://www.adobe.com/acrobat/>) and downloading the software from there. There are a variety of Reader versions available get the one that is best for your platform and operating system.

The strengths of PDF documents are:

1. Full text searching is available.
2. Security is very good.
3. The user gets a document just as it was designed.
4. The document can be browsed in many ways.
5. The document can be enlarged or reduced.
6. Most of the user interface is traditional and requires no learning curve and the few tools that are unique can be learned in a few minutes.

This is a legal agreement between you, the end user, and Weller Cartographic Services Ltd. (or other copyright holders). Weller Cartographic Services Ltd. provides digital files and licenses their use. You assume responsibility for the selection of these digital files to achieve your desired results, and for the installation, use and results from these digital files.

DEFINITIONS

“Digital files” shall mean the Weller Cartographic Services Ltd.’s (or other copyright holders’) digital files and any accompanying documentation. “Commercial Use” shall mean a publication made available to the public for either free or paid circulation in any number, or broadcast or distributed by television, film, digital or electronic media to the public.

RESTRICTIONS ON USE OF MATERIALS

No material from mapmatrix.com or any Web site owned, operated, licensed or controlled by Weller Cartographic Services Ltd. may be copied, reproduced, republished, uploaded, posted, transmitted, or distributed in any way, without the prior written permission of Weller Cartographic Services Ltd., except that you may download one copy of the materials on any single computer for your personal, non-commercial use only, provided you keep intact all copyright and other proprietary notices. Modification of the materials or use of the materials for any other purpose is a violation of Weller Cartographic Services Ltd. copyright and other proprietary rights.

In the event you download software from the site, the software, including any files, images incorporated in or generated by the software, and data accompanying the software (collectively, the "Software") are licensed to you by Weller Cartographic Services Ltd. (or other copyright holders') and does not transfer title to the Software to you. You own the medium on which the Software is recorded, but Weller Cartographic Services Ltd. (or other copyright holders') retain complete title to

the Software, and all intellectual property rights therein. You may not re-sell, decompile, reverse engineer, disassemble or otherwise reduce the Software to a human-perceivable form.

LICENSE

A: You may use the digital files on a single user workstation. Multiple site licenses and network licenses are required.

B: You may not copy or transmit in any machine readable form the digital files except as expressly provided for in this agreement.

C: You must reproduce and include this copyright notice on any machine readable file.

D: You must acquire a commercial licence for the digital files with Weller Cartographic Services Ltd. (or other copyright holders) before making any commercial use of the digital files.

E: Any copies of the digital files made by you for commercial use must acknowledge the copyright as follows unless you have received written permission from Weller Cartographic Services Ltd. to waive this requirement:

Copyright © Weller Cartographic Services Ltd.

Or

Copyright © (fill in the name of the copyright holder)

F: You can negotiate with Weller Cartographic Services Ltd. (or other copyright holders) for licence rights to reproduce maps on Weller Cartographic Services Ltd. web sites.

G: You may not use the digital files to form the basis of a Commercial Use Atlas publication or a Commercial Use Electronic Atlas, unless Weller Cartographic Services Ltd.'s (or other copyright holders') permission has been obtained in writing prior to use.

H: Newspaper and magazine publishing groups must purchase individual sets of digital files for each title in which they are to be reproduced for commercial use.

I: Digital files may not be syndicated for use in any form unless Weller Cartographic Services Ltd.'s (or other copyright holders) permission has been obtained in writing prior to syndication. "Syndication" shall mean digital files that are supplied or sold through a syndicate for publication in a number of publications or programs in any media, whether simultaneously or otherwise. In some certain circumstances further fees may be payable.

J: Digital files may not be resold or given away or bartered as individual images or as a set of images in the form of clip art collections or as clip art.

K: Digital files prepared for transmission by television and broadcast media may be rebroadcast by branch stations within a single broadcasting network provided that the digital files supplied to the branch station are rebroadcast 'as is. Licenses will be required in circumstances where digital files are to be prepared by separate departments within a broadcasting network for any commercial use by that network.

L: Digital files and passwords may not be stored, transmitted or received from a bulletin board service other than Weller Cartographic Services Ltd.'s (or other copyright holders') authorized sample maps and their associated data.

M: The images are licensed for use on a single workstation and may not be copied or transmitted for

modification at remote locations within an organization or corporation without the express permission, in writing, of Weller Cartographic Services Ltd. (or other copyright holders).

SUBMISSIONS

All comments, suggestions, ideas, notes, drawings, concepts or other information disclosed or offered to Weller Cartographic Services Ltd. by this site or in response to solicitations in this site or other Weller Cartographic Services Ltd. sites (collectively, the "Comments") shall be deemed and shall remain the property of Weller Cartographic Services Ltd. None of the Comments shall be subject to any obligation of confidence by Weller Cartographic Services Ltd. and Weller Cartographic Services Ltd. shall not be liable for any use or disclosure of any Comments. Without limitation of the foregoing, Weller Cartographic Services Ltd. shall exclusively own all now known or from now on existing rights to the Comments of every kind and nature throughout the universe and shall be entitled to unrestricted use of the Comments for any purpose whatsoever, commercial or otherwise, without compensation to the provider of the Comments.

PRIVACY POLICY

In addition to reviewing this privacy policy, please read our [User Agreement \(Site Licence\)](#). Your use of Weller Cartographic Services Ltd.'s site constitutes agreement to its terms and conditions. If you have any questions or concerns, please contact us.

Privacy Policy

Weller Cartographic Services Ltd. is committed to bringing you information that's tailored to your individual needs and, at the same time, to protecting your privacy. The following is a summary of the various ways we treat the information you provide us while using Weller Cartographic Services Ltd.

Weller Cartographic Services Ltd. does not collect personally identifying information except with your specific knowledge and consent. And we do not share such information with any outside party without your explicit consent, so there's no need to send us an "opt out" message to prevent your name from appearing on mailing lists.

Sometimes you will provide us with data that doesn't reveal your personal identity—what type of destination you're seeking information about, for example. We use this sort of information for editorial purposes, and occasionally for other internal purposes (maybe it will be used to assist us in refin-

HOME

ing our business plan) but we don't connect it to any name, address or other identifying information. This way we can give you customized information without compromising your privacy.

In a few cases—if you e-mail a question or some feedback to us, for example—we may request your name, e-mail address or other information so that we can, e-mail you with a personal reply. If you choose to supply this information we will use it only for the specific purpose for which you supply it—unless we tell you otherwise at the time of collection.

We will never share any of your personally identifying data with any other party without your explicit permission, nor use it for unapproved commercial purposes.

We are requesting material we can publish; to participate, you must supply us with your identity, which you agree to have publicly associated with your submission. A contract must be signed before any submission can be mounted on the “mapmatrix.com” site. Your participation will always be voluntary.

We may offer to send you information or updates from mapmatrix.com via e-mail or otherwise; obviously, signing up will put you on a specific mailing list. We will not put you on any other mailing lists, from us or anyone else, without your permission.

You may have read about "cookies," nuggets of information that are placed by a Web site in a storage place on your own computer. Weller Cartographic Services Ltd. does not use cookies at this time and will post notice of changes to this feature should we begin to use them.

While using Weller Cartographic Services Ltd. you may notice that other sites may use cookies when you link to their sites. We cannot control what other sites do with their cookies.

If you don't like cookies, your Web browser likely includes an option that allows you not to accept them. We don't recommend using this option, though: it makes browsing many sites a less enjoyable experience.

Finally, while your individual information is protected as outlined above, we reserve the right to use aggregated, anonymous data about our users as a group. We might create a report to attract, potential advertisers, showing that a certain percentage of our users are interested in travel to Beijing, based on sales of books, maps and articles from our site.

CHILDREN: Be sure to ask your parents for permission before you send any information about yourself—like your name, address or e-mail address—over the Internet, to us or to anyone else. Never buy anything online without permission and ask your parents to read this page, too!

PARENTS: We encourage you to get involved with your children's online usage so you can be aware of what they're doing. If Weller Cartographic Services Ltd. knowingly collects personally identifying data from children, we use it for internal purposes only—we don't post it, publish it or provide it to any third parties. We will treat all personal data the same way.

If your children disclose information about themselves in our public discussion areas, they may get unsolicited messages from other parties. Accordingly, you should tell them not to do so.

If you're worried about your children's activities or their privacy on mapmatrix.com, we encourage you to e-mail us. (cartographer@mapmatrix.com)

This Privacy Policy may be modified from time to time; notice of changes will appear on this page, so check back often. Any such changes will be not be retroactive.

If you have concerns or questions about any aspect of this policy, please send us e-mail. We welcome your feedback. You can also send us regular mail at the following address:
